

# Join us for our new Women's Book Study

**Beginning Sunday, July 9  
11:30 in Sankey 2**

**Discussion led by Mary Lowman**

This book is a practical guide to praying continuously! It will help you make constant communication with God a natural part of your life rather than something on your daily spiritual checklist. Sherry Harney encourages you to open your eyes to the Lord's presence, your ears to hear his voice, and your heart to experience his freedom and power.

The author is the wife of Kevin Harney, who was the featured speaker at our recent Missionary Conference.

**All women are invited. No registration is necessary. Books are available at the Women's Kiosk for \$8.00 or you can purchase them in the class.**
