

# 36-Day Challenge:

## A Journey through the Old Testament

---

Beginning February 1, our goal as a church family is to read the key stories of the Old Testament in just 36 days. Since the stories are ordered chronologically, sometimes you'll be reading from two or more books of the Bible for a given story.

Will you commit to join us in being Changed By The Word in 36 days?

- Pray each day before beginning, asking God to prepare your heart and mind.
- Follow us on Facebook or Twitter for daily reminders and encouragement.
- Don't give up! If you fall behind, don't worry, just keep going. You can do it!
